

Bios Trim Studio

Bios Trim Studio

WHO WE ARE ?

Bios is a young and dynamic company specializing textile accessories for garments in textile industry. We make inspirational labels and trims based in high quality, fast delivery, reasonable prices and high quality customer service.

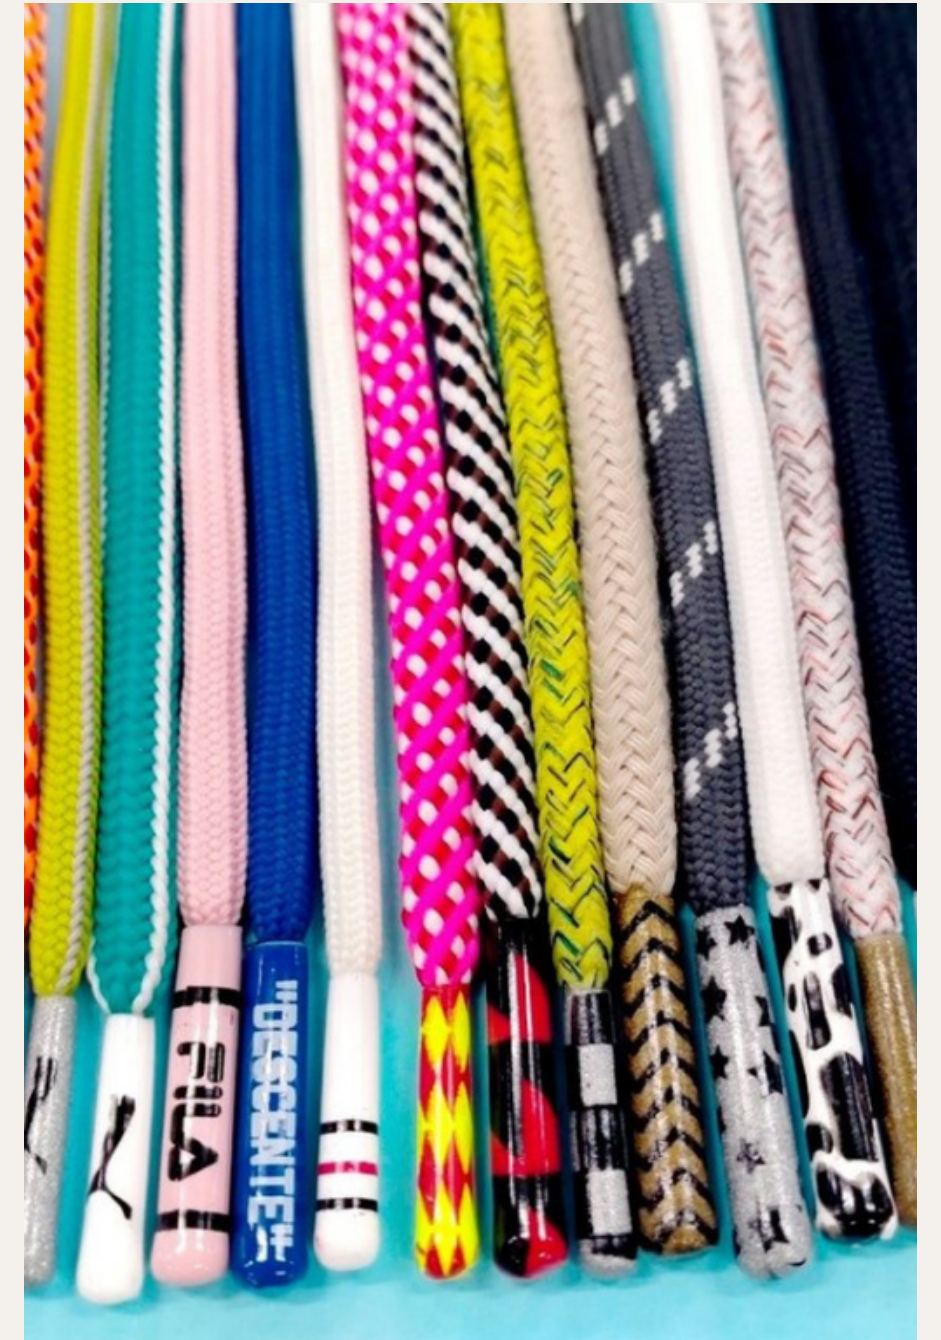

Our task is 100% compliance with the standards determined by the company management per our customers' search for quality, and their desires, needs and expectations.

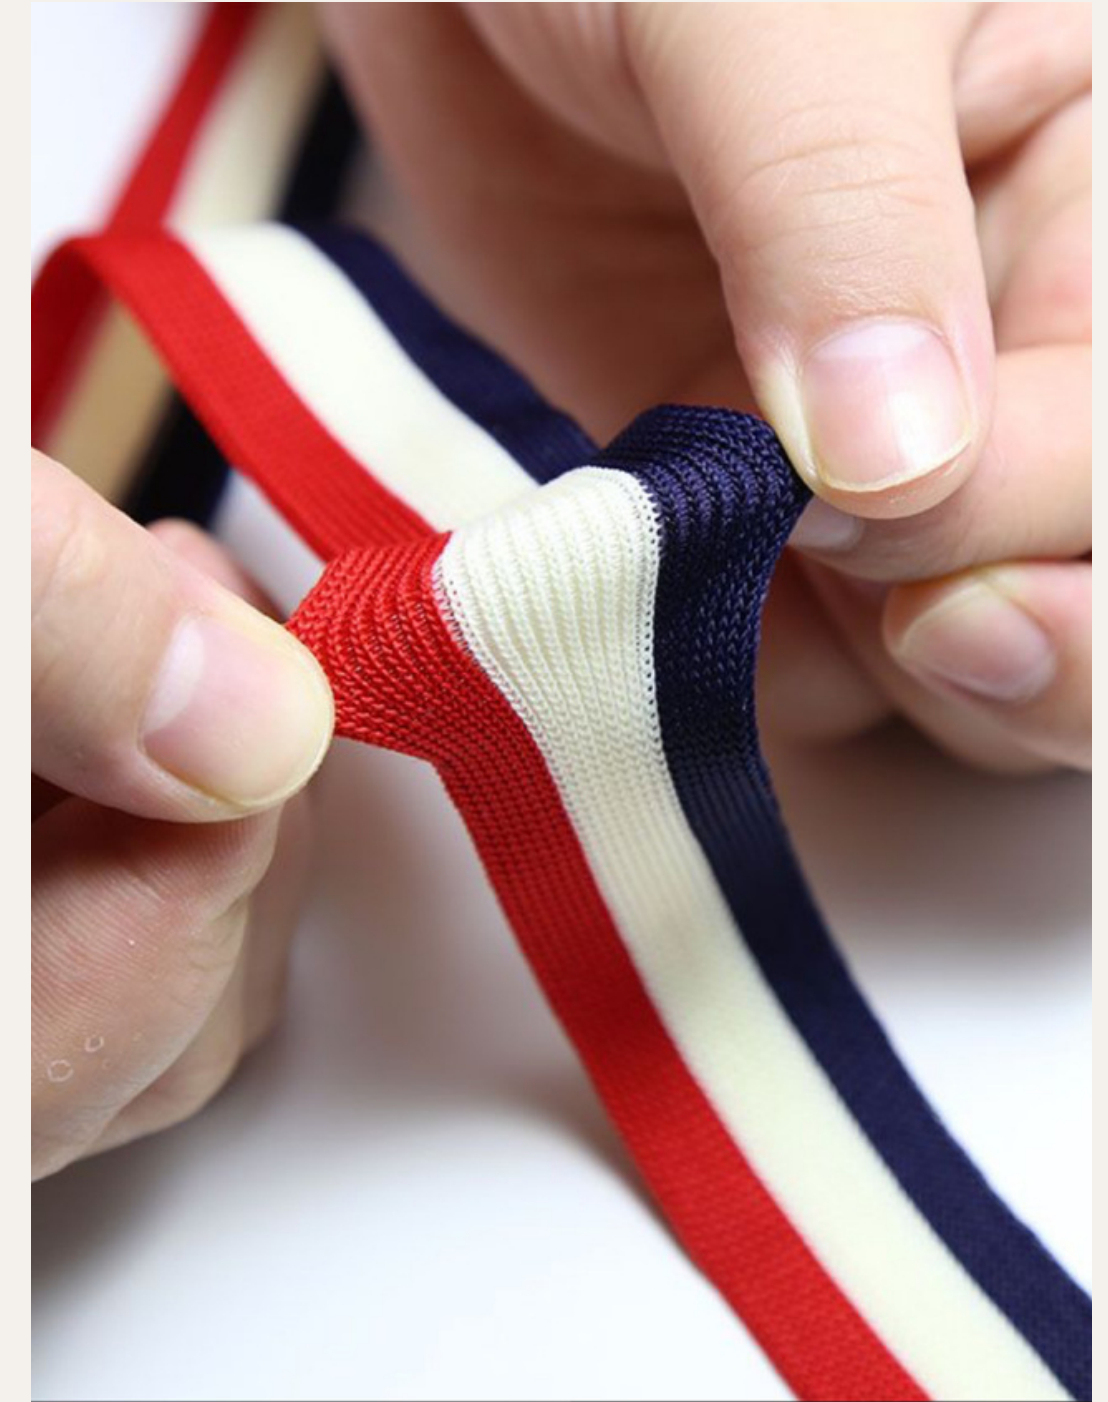

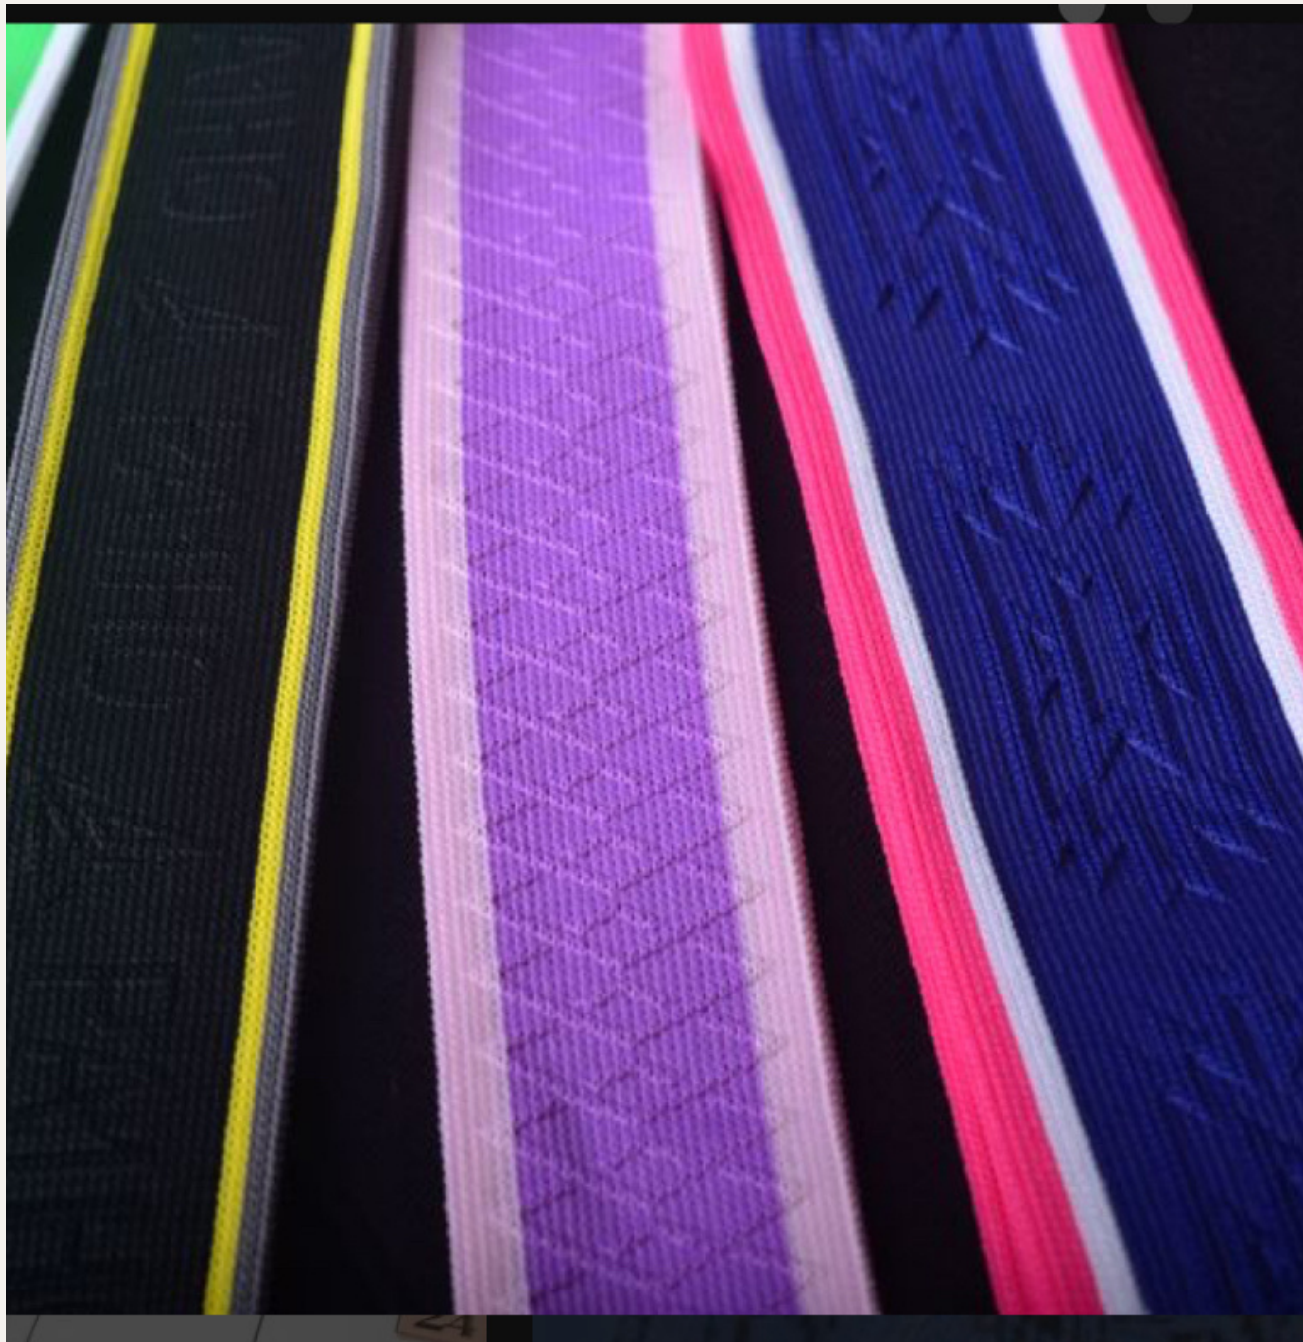

As a responsibility of sustainability, at Bios we seek to reduce negative impacts on the environment and improve the health and well-being of the people now and in the future. We offer vegan, biodegradable and environmental friendly solutions without continuously developing and renewed sustainable collection.

WHAT WE DO ?

WHAT WE DO ?

WHAT WE DO ?

WHAT WE DO ?

TRIMS THAT ELEVATE YOUR BRAND

Whether it is high fashion apparel, sportswear, childrenswear, denim, footwear, home textiles, lingerie or accessories, we ensure hassle-free solutions and top design to match your needs and your brand's identity. We provide access to a vast collection of design and sustainable material choices to inspire your next selection of trims, no matter category and function, whether it is a metal hardware or woven tapes.

THANK YOU
